

**Spring Trip Eligibility Information**  
Band, Choir, & Orchestra

As we look toward the end of this school year and our Spring Trip to Typhoon Texas in Austin, here is the trip eligibility information as of March 11, 2022, as well as chaperone information, and financial obligations. Program trips are an earned privilege. A student may be disqualified from attending a trip based on grades, attendance, or discipline. More specifically, these include:

- Any unexcused performance absence(s)
- More than one ineligible performance absence
- Any assignment to Long-Term ISS (LTISS), DAEP, or JJAEP in the current school year
- Any Out-of-School Suspension (OSS) in the current spring semester
- Saturday School or ISS 3 or more days in the current spring semester
- Grade Eligibility Check on the March 11 Report Card
- You MUST finalize all Belton ISD financial obligations, including instrument usage fees, reed charges, library fines, ID fines, Chromebook fees, and Cafeteria fees
- You MUST return a completed, signed permission slip

\_\_\_\_\_ As of March 11, student has **remained eligible** for the Spring Trip, and needs to continue to meet requirements to remain eligible.

OR

\_\_\_\_\_ As of March 11, student is **close to being ineligible**:

Parent Chaperone Expectations:

- Be a parent/guardian of BMS student going on the trip
  - Be approved as a volunteer with Belton ISD
  - Makes arrangements ahead of time to not bring other children with them
- Abide and comply with dress code requirements
- Help directors with requested tasks
- Pay required cost by Monday, April 11, 2022

Siblings under the age of 18 attending the trip must be accompanied by their parent or guardian, and must ride with them in their own vehicle. They must also abide and comply with dress code requirements.

Because the park is not open to the public, those parents and siblings over the age of 18 who are not chaperoning are **still required to be an approved volunteer with Belton ISD**. They must also abide and comply with dress code requirements. Also, because this is a special event, season passes are **not** valid for this trip.

**The next page and all payments are due anytime before or on Monday, April 11.**

After this date, permission forms will be given to students that have turned in the next page with all financial obligations and trip fees paid. They will sign up for a seat on the bus at that time.

On the buses, students will sit with the students from their same program they elect to attend the trip with (i.e., Band students sit with Band students, Choir students still with Choir students, etc.). At the park, students may visit the park with any Belton ISD students.
