

Wind Ensemble UIL Concert/SR Evaluation Itinerary
Tuesday, March 29

Here we are - this is it! The main event, the biggest contest of the year - UIL. We have learned many things this year and have worked hard for this contest all year long. Now it's time to show others what we can do, and to put all 5 of our Success Guidelines together: Be Punctual, Be Prepared, Be Disciplined, Be Relentless, all of which leads to **Be Superior!**

We will compete on Tuesday, March 29 at Midway High School in Hewitt (Waco). This is a formal and professional contest, but is also a performance that is open to the public. If possible, please invite friends and family to come support us! This is our Band equivalent to the STAAR test. It is **extremely** important, and our students have worked hard to get to this point. Be Prepared with your formal concert attire, which includes: Red polo shirt tucked into **black pants**, black belt for gentlemen, black calf-length socks, and black dress shoes. Be sure to have all of your music, pencil, reeds, and instrument.

Be Disciplined in your behavior and have a positive, focused attitude throughout our entire trip. There will be judges listening to you perform and writing comments, and all performing students are required to attend. This performance is a major grade and is required for the Spring Trip. As always, if you have any questions, please let Mr. Pulley know ASAP.

- **10:45am** - Leave 3rd period and eat A Lunch
- **11:15am** - Students will come to the Band Hall already in their formal band uniform (see details above). We will have roll check, uniform inspection, and double-check that everyone has all of their equipment and materials. We will also have a chat about expectations and procedures.

- **12:30pm** - Leave for Midway High School (8200 Mars Drive - Waco)
